## TEAM MEMBER-FRIENDLY DESIGN AND TECHNOLOGY

The Helena Theurer Pavilion includes features designed to create a pleasant, efficient and safe working environment for team members, including:

- Natural light in patient and staff spaces
- A flat-screen smart TV in each room that has patient education modules and family-friendly video chat capabilities
- A monitor tablet outside each room that provides patient information for team members
- In-room workstations for team members
- Patient lift systems in select rooms to assist with transport and reduce the risk of falls or injuries
- Dedicated CT imaging on the ICU floor for patients who require frequent advanced imaging
- Enhancements to promote staff safety, including the ability to manage IVs and stock supplies from outside the patient room when a patient requires isolation
- Intraoperative MRI capabilities allow for increased surgical innovation
- Large monitors in each OR to make it easier for surgeons to see patient images
- Live streaming capability in all ORs, promoting education and communication between surgeons
- Pathology lab located near ORs for improved collaboration and time-sensitive care
- New, conveniently located central supply area that includes the newest generation of sterilization equipment

## NOW RECRUITING TEAM MEMBERS FOR NEW, STATE-OF-THE-ART SURGICAL AND INTENSIVE CARE FACILITY

Hackensack University Medical Center is Hackensack Meridian Health's flagship academic medical center and New Jersey's premier health care facility, providing tertiary and quaternary care for patients who require complex treatment — and we want you to join our team.

Hackensack University Medical Center is now hiring for clinical and non-clinical positions at our new, 530,000-square-foot Helena Theurer Pavilion at Hackensack University Medical Center. The state-of-the-art, nine-story tower is a "smart hospital" — incorporating the latest technology into a modern, thoughtfully designed working environment to provide an enhanced patient, team and physician experience.

When you apply to work at Hackensack University Medical Center, you'll have a once-in-a-lifetime opportunity to be a part of our growing team of caring, expert health care professionals at New Jersey's most innovative surgical and intensive care facility.
