Charity Care/Financial Assistance Application Process

You may apply for Financial Assistance within 1 year after discharge from the hospital or receipt of outpatient care.

Charity Care is available to New Jersey residents who are uninsured, underinsured, or ineligible for State and Federal programs.

To qualify you must meet both the income and assets eligibility criteria.

Charity Care covers hospital care only. The program does not apply to physicians or other providers who independently bill for their services.

- Please fill out and sign the application. (If you received care at multiple Hackensack Meridian Health hospitals, you will need to sign an application for each hospital where you received services.)

- Attach copies of all required documents.

- All documentation is based on the initial date of service.

- If you are 21 years of age or younger and a full time college student, your parent or guardian must fill out the application and provide the necessary supporting documents. Please provide proof of your student status and financial award letters for the current and previous semesters.

If you have any questions regarding the application or documentation that is required to apply, please call a financial counselor at the hospital where you received your services.
