

Emergency Medicine Scholarship Rotation for Underrepresented Students

WE WILL. BECAUSE. I AM.

MISSION

TRANSFORM HEALTH CARE...

and be recognized as the leader of positive change.

VISION

Innovation is in our DNA, compelling us to create a world where: the highest quality care is human-centered, accessible and affordable; we deliver outcomes that matter most; and excellence is the standard.

BELIEFS

CREATIVE

I will do my part to make things better.

COURAGEOUS

I will do the right thing.

COMPASSIONATE

I am the human experience.

COLLABORATIVE

I embrace teamwork.

CONNECTED

I am part of something bigger.

LIVING ABOVE THE LINE

Assume positive intent

Listen to understand

Confront issues directly

Commit to each other's success

Model our beliefs

Trust each other

Be accountable

Support decisions

What is it?

- The Emergency Medicine Scholarship Rotation for Underrepresented Minority Students at Hackensack University Medical Center provides financial assistance for MS4 medical students applying to Emergency Medicine Residency Programs who meet the eligibility criteria below. The scholarship provides a \$2,000 stipend to help offset rotation living and travel expenses. This is a competitive merit-based scholarship reserved for 5 students per academic year.

Am I eligible?

- MS4 student in good standing at an accredited allopathic or osteopathic U.S. medical school not affiliated with HUMC
- Satisfactory completion of core MS3 clerkships
- Passing USMLE Step 1 or COMLEX Level 1

How do I apply?

- Please apply to the Emergency Medicine elective at Hackensack University Medical Center on VSAS and indicate on our supplemental application questionnaire that you will be applying for our Diversity and Inclusion scholarship.
- Please email our rotation coordinator, Mrs. Neysa Lomax (Naysai.Lomax@hmn.org), to express your interest in applying. Please include
 - Your CV
 - A 250 word max paragraph explaining your circumstance and eligibility for this scholarship
 - A 500 word max paragraph explaining what are core values that guide your practice of medicine? How do you think your experiences as a traditionally underserved or disadvantaged medical student have contributed to shaping these values?
