Riverview Medical Center

Lung Cancer Awareness Lunch and Learn

November is Lung
Cancer Awareness
Month.

Join our expert
physicians as they
discuss lung cancer
diagnosis, screening
and treatment at
Riverview Medical
Center.

Learn about lung
cancer prevention,
free tobacco
cessation programs,
and the latest in
lung cancer
treatment.

Free Valet Parking

Thursday, November 8, 2018
NOON – 1:30 p.m.

Presented by:
Priti Patel, M.D.
Ziad Hanhan, M.D.
and Nicholas Perosi, M.D.

**Please be our guest for lunch and learn
about the symptoms, risk factors and new
state-of-the-art technology and treatment
available at Riverview Medical Center.**

***It could be life-saving information for you
or someone you love.***
