Questions and Evaluation

Target Audience

Physicians, midwives, registered nurses, social workers, respiratory therapists.

Learning Outcome

Participants will be able to provide sensitive and timely care to families who experience a pregnancy loss, stillbirth or newborn death.

Learning Objectives

At the conclusion of this learning activity, the participants should be able to:

- Express an increased sensitivity to the grief of parents and families who experience a pregnancy loss, stillbirth or newborn death.
- Discuss evidence-based strategies to facilitate the grieving process in perinatal loss.
- Explain the role of interdisciplinary resources that can provide support in perinatal loss.

Disclosures

There is no commercial support for this continuing education activity. The speakers and planners have no vested interest in the content of this continuing education activity to disclose.

Successful completion

To receive continuing education credits for this program, the registrant must sign in on the sign-in sheet, attend the entire program, initial out on the sign-in sheet and complete and hand in the evaluation at the completion of the program.

Cost

The expert speakers from Labor & Delivery, NICU and Social Work greatly thank the Forget Me Not Foundation for providing this free educational opportunity.

Registration

Conference is free of charge.
